Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the consolidated financial statements.

Our responsibility is to conduct the review in accordance with the Statements on Standards for accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the consolidated financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations

Organization and Purpose

The Ascension Economic Development Corporation (the Corporation) is a non-profit corporation which was organized to promote economic development for the Parish of Ascension and is funded by the Parish of Ascension, the City of Gonzales and the business community in Ascension Parish.

The Corporation's board of directors is appointed by the Parish of Ascension, the Ascension Chamber of Commerce, the City of Gonzales, and the President of the Parish of Ascension.

The Ascension Economic Development Foundation (the Foundation) is a non-profit corporation which was organized to support the Corporation through fundraising activities.

Basis of Accounting

The consolidated financial statements of the Corporation and the Foundation have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Corporation and the Foundation report information regarding financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash Equivalents

The Corporation and the Foundation considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Management believes all receivables to be collectible and no valuation allowance has been recorded for the years ended December 31, 2013 and 2012.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations (continued)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

Grant Recognition

Grants that represent exchange transactions are recorded as a receivable when the grant costs are incurred and reimbursable.

Grants that represent contributed support are recognized in the same manner as contributions.

Income Taxes

The Corporation operates as a public charity under Section 501(c) (6) of the Internal Revenue Code and, accordingly, is exempt from federal and state income taxes.

The Foundation is exempt from income taxes under Code Section 501(c) (3).

The Corporation and the Foundation accounts for income taxes in accordance with income tax accounting guidance included in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Management believes it has no material uncertain tax positions and, accordingly there is no provision for income taxes in the accompanying financial statements.

The Corporation and the Foundation file Form 990 tax returns in the U.S. federal jurisdiction. Generally, the Corporation and the Foundation are no longer subject to U.S. federal, state and local, or non U.S. income taxes examinations by tax authorities for years before 2010.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations (continued)

Property and Equipment

Property and equipment are stated at cost or at their estimated fair value at date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets with estimated lives between 3 and 15 years. Gains and losses from sales or retirements are recognized in the period of disposition.

Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. Property and Equipment

Major classifications of property and equipment as of December 31, 2013 and 2012 are summarized as follows:

| | | 2012 | | |
|--------------------------------|-----------|---------|-----------|--------------|
| Furniture and fixtures | \$ | 20,026 | \$ | 17,021 |
| Leasehold improvements | | 6,764 | | 6,764 |
| | | 26,790 | | 23,785 |
| Less: accumulated depreciation | | 18,017) | (| 18,034) |
| Property and equipment, net | <u>\$</u> | 8,773 | <u>\$</u> | <u>5,751</u> |

Depreciation expense related to the property and equipment in service was \$2,345 and \$2,515 for the years ended December 31, 2013 and 2012, respectively.

3. Retirement Plan

The Corporation has a 401(k) profit sharing plan for all full-time employees. Participants may make voluntary contributions to the plan up to a maximum of \$17,500, and are 100% vested in their contributions. The Corporation provides a 5% match of an electing participant's deferral and may make discretionary profit sharing contributions.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Furthermore, the parish of Ascension provided \$322,800 and \$322,800 during the years ended December 31, 2013 and 2012; as such, the Corporation is economically dependent on the Parish of Ascension.

7. Restricted Cash

Restricted cash in the amount of \$185,491 and \$125,401 for the years ended December 31, 2013 and 2012 is comprised of cash designated by the Board for strategic initiatives.

8. Subsequent Events

Management has evaluated subsequent events though June 2, 2014, the date that the financial statements were available to be issued, and determined that there was no events that require disclosure. No events occurring after this date have been evaluated for inclusion in these financial statements.
